

# PRU Series

## IN AHU AND IN DUCT UVC FIXTURES

Our PRU Series UVC Fixtures are engineered for light commercial applications in packaged/rooftop air handlers (AHUs). These UVC fixtures can also be used in some residential applications.

### Models

The PRU is available in two lamp sizes (60W, 95W) and in lamp configurations ranging from one to five lamps. Our sturdy quick-connect allows for lamp additions to modify your configuration and provide an easy install. All lamps are non-proprietary Philips lamps that are chill corrected to treat cold moving air.

Applied to packaged and rooftop A/C & heating units.

Works 24/7.

Non-proprietary components for low-cost of ownership.
